

## Ecobee

SmartCamera with Voice Control

EBSCV01

SKU: 172287    UPC: 62798803000

**Ecobee EBSCV01 Ecobee Smartcamera With Voice Control** captures an expansive 180° field of view on your mobile device in HD video, so you're never left guessing when something happens at home. Your privacy is paramount. SmartCamera can shut off automatically when family members arrive and features on-device processing and end-to-end encryption.

**Works in harmony with Amazon Alexa and Apple HomeKit**

### Features:

- **HD Video and Night Vision:** Stream continuous, ultra-clear 1080p HD video to your phone day or night. Feel like you're home, even when you're not.
- **Person Detection:** SmartCamera detects when a person is present and pans across its 180° field of view to keep them in the center of the frame.
- **Smoke Alarm Detection:** Keep your whole family safe. Get an alert on your phone if SmartCamera detects sound from your smoke alarm.
- **Your Privacy Matters:** SmartCamera can shut off automatically when family members arrive and features on-device processing and end-to-end encryption.
- **Smart focus:** Recognizes when moving people enter the frame and adjusts to keep them front and center as they move.
- **Two-way talk:** Communicate with people, and talk to pets from anywhere with the built-in microphone and speaker.
- **Pan, tilt, and zoom:** Provides a full view of your home by letting you pan and tilt to view images from the mobile app.
- **Activity zones:** Set your camera to focus on important areas such as the front door. It only captures what you want and won't send you unnecessary notifications.
- **Dual-band Wi-Fi:** Offers fast, secure Internet connectivity with the WEP, WPA, and WPA2 encryption.
- **Built-in Alexa:** Whether you're turning on or off connected devices, checking the weather, or telling your dog to get off the couch, control it all with the power of your voice.
- **Pick view from any angle:** You can use the dual stand/mount for both placing or wall-mounting your camera.
- **Capture everything in HD:** Its 1080p HD video quality lets you get a complete and clear view of your home from anywhere.
- **ecobee mobile app:** Allows you to control your camera or view remotely what's happening in your home from your smartphone or tablet. App download required.
- **180° field of view:** Captures a wide area of your property for high-level security all the time.
- **Notifications:** Feel closer when you're away. Get alerts when the kids get home or if there's unwelcome activity, directly to your mobile device.

**Just plug it in and set up with the ecobee app.**

## Specifications:

### Dimensions & weight

- Camera
  - Camera Height: 107 mm (4.2 in.)
  - Width: 57.5 mm (2.26 in.)
  - Depth: 44 mm (1.7 in.)
- Camera on stand
  - Height: 138 mm (5.4 in.)
  - Width: 57.5 mm (2.26 in.)
  - Depth: 44 mm (1.7 in.)
- Camera on wall mount
  - Height: 107 mm (4.2 in.)
  - Width: 57.5 mm (2.26 in.)
  - Depth: 75.3 mm (2.96 in.)
- Camera weight: 0.18 kg (0.4 lb.)
- Camera on stand/wall mount: 0.28 kg (0.62 lb.)

### Additional:

- Colors: Black front, white sides and back
- Operating environment: For indoor use only
- Power: AC power adapter with 10 ft (3 m) white indoor power cord
- Image sensor: 5 megapixels
- Lens: f/2.2 with digital zoom
- Field of view: 180° diagonal, 170° horizontal, 115° vertical
- Video: 1080p (1920X1080) H.264 encoding @ 30 frames per second
- Night vision: 3 high-powered infrared LEDs (850nm) with mechanical ICR filter

### Processor & memory:

- Octa-core 2GHz
- 1GB LPDDR4 RAM
- 4GB Flash (eMMC)

### Voice, audio & lights:

- Amazon Alexa Built-in
- Two-way audio with echo cancellation
- 2 far-field microphones
- 5 RGB LEDs
- Works with: Apple HomeKit, Amazon Alexa, iOS, Android

### Connectivity & security:

- Dual-band Wi-Fi: 802.11 b/g/n @ 2.4GHz, 802.11 a/n/ac @ 5GHz
- Bluetooth 5.0
- WEP 64, WEP 128, WPA, and WPA2 encryption methods:
  - DHCP (dynamic) or static IP addressing
  - 168-bit SSL encryption
  - 915MHz radio

### Power & Operation:

- Input voltage: 100-240V, 50/60Hz
- Power supply: 12V @ 1A
- Operating temperature & humidity:
  - Temperature: 32° to 104°F (0° to 40°C)
  - Humidity: 85% RH (non-condensing)

- Storage temperature & humidity
- Temperature: "4° to 140°F ("20° to 60°C)
- Humidity: 10% to 95% RH (non-condensing)
- Languages: English
- Regulatory certifications:
  - ROHS compliant
  - FCC certified
  - IC certified
