LUXE BaseStation - White

71002

SKU: 69962 UPC: 4109371002

LUXE BaseStation conductively charges iPad on a table top or flat surface and can mount and charge iPad in portrait or landscape orientations.

To power the BaseStation, simply plug in the included USB-C power supply. As soon as the LUXE Case is magnetically mounted to the BaseStation, charging begins immediately, without wires or cables.

The BaseStation also includes an articulating hinge so iPad can be viewed at any angle and a security lock to secure the Case to the BaseStation.
