Slimline Touchpad - White

RE667W

SKU: 162967

Important Notice: This product is special order only. It is non-cancellable and non-refundable.

The new Slimline Touchpad doesn't rest on its stylish curves alone, it controls every aspect of a modern security system, delivering an at-a-glance view of Video Doorbell, Z-Wave devices, and every intrusion and environmental sensor.

Breathe new life into an old panel by pairing it to a BAT-Connect Communicator or link it with a Connect+ Panel as the perfect on-site complement to the interactive mobile app.

Several models are available with and without the Wi-Fi DeviceLink card for Connect+.

Features:

- 7-inch color capacitive touchscreen
- Real-time system status
- View and control cameras, answer video doorbell, review clips, set as favorites to the dashboard
- 12V direct wire and 110V plug-in options with provided transformer, battery-backed
- Includes wall mount and tabletop stand
- Black or white color
- 7.5 W x 4.25 T

Models

- RE667W (White)
