## LUXE WallStation - White

71005

SKU: 69965    UPC: 4109371005

LUXE WallStation securely mounts iPad on a wall or solid surface in portrait or landscape orientations. As soon as the LUXE Case is magnetically mounted to the WallStation, conductive charging begins immediately, without wires or cables.

To install the WallStation on a wall, run a single Cat5 cable to the desired location and power the WallStation with a PoE Switch or Injector.
