

**Siamese Plenum RG-59/U Coax + 18/2
Power Cable 1000' Spool - White**

RG59/U95-S-P

SKU: 42099

SCP RG59/U PLENUM as a single cable or configured as a Siamese cable with a RG59/U + an 18/2 power cable bonded side by side. Use the coaxial cable for video and the 18/2 cable to power your cameras... for fast and efficient CCTV security cable installations. SCP RG-59/U PLENUM Coax Cables have a 20 AWG solid copper center conductor, a foam polyethylene dielectric insulation, 95% copper braid, and a PLENUM jacket. All of our RG59/U PLENUM cables are UL listed, CMP rated.
