

Nuvo

3-Zone Professional Series Player 25-Watt per Channel

NV-P5050NA

SKU: 166939

Designed exclusively for integrators, the P5050 Professional Series Player is purpose-built for custom audio installations. Providing 25 watts of power per channel at 8 ohms or 50 watts of power per channel at 4 ohms, the P5050 covers three listening zones in a space and energy efficient 1U rack design. It offers built-in access to endless music options including the most popular streaming music services and networked music collections.

Feature

- Built-in access to streaming services, including Spotify, Pandora, iHeartRadio, TuneIn, Napster, Deezer, and SiriusXM or personal music collections on networked devices
