Stereo Input Outdoor Rock Speaker - Granite

RS6SiGranitePro

SKU: 155964 UPC: 760514016927

6" Two-way Dual Tweeter High Performance Rock Loudspeaker.

Looks like natural coral rock. Can be used in mono two-speaker stereo or single-speaker stereo input "Si" modes.

Features:

- NoFade Protective Paint
- Weatherproof design surpasses military standard 883 for corrosion resistance
- Designed for extreme environmental conditions and both UV exposure and water resistance
- Proprietary 4-layer fiberglass construction makes the cabinet acoustically inert and completely weatherproof
- Artistically crafted cabinet with shaped MicroPerf aluminum grilles looks natural and realistic
- Woofer Technology
- 6.5" injection-molded TCC (talc carbon and ceramic) filled polypropylene cone is extremely rigid to reduce breakup and lower distortion
- Butyl rubber cone surround damps resonance and provides exceptional durability
- Dual voice coils deliver both left and right channels from one speaker
- Tweeter Technology
- Dual 1" tri-laminate Teteron domes with fluid-cooling and ultra-wide dispersion for clear and detailed high-frequencies
- Bridge-mounted tweeters are set at a 15 degree angle for optimum dispersion
