Pole Mount Bracket for FS Series Horn Speaker

FS-PMBRKT

SKU: 180247 UPC: 61207966356

Designed to allow an FS Series horn speaker to be mounted to a tripod speaker stand like the AtlasIED SS500E, the FS-PMBRKT attaches directly to mounting points on the FS horn bracket and seats securely to the SS500E or similar tripod. It's a great option for applications where portability is important.
