

Seagull Lighting

Sebring Large LED Wall Lantern

8871EN3-98

SKU: 182837

This industrial and nautically inspired Sebring collection by Sea Gull Lighting coordinates perfectly in coastal locations, while adding eye catching contrast to facades of any kind. Offered in Black, Brushed Stainless and Weathered Copper finishes, Sebring is a complete outdoor collection with small and large one-light outdoor wall lanterns, a one-light outdoor ceiling flush mount and one-light outdoor post lantern to unify any home's appearance. Incandescent as well as integrated LED are available. The advanced, integrated LED light source has warm-on-dim technology that warms in color when dimmed, and is California Title 24 compliant.
